From

The Deputy Commissioner

To

The Secretary to the
Government of Mysore
Inam Department.

Sir,

Adverting to your Rubakari No 1097 dated 9th Ultimo, on the subject of adjusting the advances drawn for repairing the car and certain other vahanas of the Sri Channa — Keswaswami's temple at Belur, I have the honor to state that 2 Estimates were sanctioned, one for Rs 716-11-4 for repairing the car and another for Rs 136/4 for repairing the vahanas. Thus the total amount sanctioned was Rs 852-11-4

2. A Sum to the extent of Rs 1314-11-4 were drawn ——— on different occasions

for

for the purpose and remain still un-
adjusted. The amount spent for the c
above in now reported by the Amildar
to be Rs 853-13-4 and exceeds the Estimate
by Rs 3-2-4. The expenditure, however, includes c
Rs 90-12-4 contributed by the devotees.
The net cost incurred out of Rs 1314-11-4
drawn, is therefore Rs 765-1-4. The balan
viz Rs 549-10-4 was credited to the hea
"Management" of the Institution as per ma
gin.

3. I therefore, request you will be
good enough to address the Comptroller f
adjusting the advance, thus accounted for

Read:-

Govt Proc^s No. 523-4/21 dated 10th August 1892 and No 932-3/Jud 790-92 dated 2nd March 1894, sanctioning two estimates to the amounts of Rs 716-11-0 and Rs 136-00 respectively for the preparation of a new car on iron wheels for the use of the Sri Chenna-Kesavaswamy temple at Belur.

And:

Letter No. 1082 dated 22nd May 1897 from the D^y Cons^r, Hassan Sircle, submitting a completion Bill for Rs 855-13-0 being the actual cost of the new car prepared and requesting sanction of-

No 1216-7/90-92 dt 8/6/97 En 1982

of Govt to the additional expenditure of Rs 3-2-0 incurred in excess of the sanctioned amounts.

Order thereon:—

In the D.J. Coin's letter read above, it is reported that advances to the total amount of Rs 1314-11-0 were first drawn, that Rs 549-10-0 thereof were subsequently refunded and the balance, viz, Rs 765-1-0 paid towards the cost of the car. Besides this amount, a sum of Rs 90-12-0 contributed by the devotees and held in deposit for the preparation of certain Kaharas

to

to the temple is reported to have been paid by overnight towards the balance of the cost of the car. The Dy Comr in Submitting the completion Bill requests that this sum of Rs 90-12-0 may be refunded in view to its being expended for the preparation of the Valances, and further solicits sanction to the excess expenditure of Rs 3-2-0 incurred in respect of the cost of the car.

2. First, with refce to the advances, the Vernacular records show that long before the original estimate was sanctioned, advances to the amount of Rs 598 had been drawn by the Huildar for payment towards the cost of certain sundry works

work as executed and the
iron wheels purchased
in anticipation of Govt
sanction. Again, on receipt
of the order conveying
sanction of Govt to the
estimate the Amildar
has drawn the full amount
of Rs 716-11-0 sanctioned,
without regard to the advance
of Rs 578 already drawn
by him, and without any
explanation of the necessity
for the same. Such in-
discriminate drawings
of advances in excess
of the sanctioned amounts
is, it must be remarked,
grossly irregular and
the Amildar's conduct
in this respect is open
to censure.

3. Next, as regards the
appropriation of the
amount held in deposit
for Vahivatdars, towards

The

the cost of the car, the Govt observe that such a procedure is most objectionable; but, however, as the money has already been expended, the expenditure may stand undisturbed, the Vahanams required being prepared from the trouble funds. The Dy Comr is requested to have a regular estimate prepared for the purpose and submit the same for sanction of Govt at an early date.

4. With the foregoing remarks, sanction is accorded to the expenditure of Rs 3-2-0 incurred for the preparation of the car in

excess

Excess of the amounts
mentioned in the two
first Prov.l read above,
and the Contribution
Bill for Rs 8,55. 13 0
will be countersigned
and forwarded to the
Comm.r for adjustment.
